Ron Baczkowski, Maritime Restoration Builder

## THE NAME PROJECT

Kyle Williams, *Education Manager*

## CHRISTENING

Maritime Team

*For thousands of years, we have gone to sea.*

*We have crafted vessels to carry us, and we have called them by name.*

*These ships will nurture and care for us through perilous seas,  
and so we affectionately call them "she." To them, we toast and ask to celebrate*

*The Mississippi Maritime Museum's Historic catboat.*
