Captain's Log -- November 17, 2022

Do you recognize this ship? Please let us know if you know her name, or have any information to tell us about her. We would love to hear from you!

Friend of the MSMC Dick Dixon says: "Its location was on the east side of the Pascagoula River on the north side of the old Highway 90 drawbridge. The new bridge goes by the spot now. The vessel itself burned; I recall seeing the burned-out hulk just under the water."

Local musician Don Smith recorded a rendition of "The Wellerman" at our museum, and created a video highlighting the MSMC for his YouTube page. Smith also records renditions of other sea shanties, and writes his own. Be sure to check out his video at the link above!

Come See Us!

The Mississippi Shipbuilding and Maritime Center will have a booth at this year's Downtown for the Holidays in Pascagoula. We would love to see you there!

Don't Forget!

Next Tuesday, November 22, is Giving Tuesday!

This holiday season, consider donating to your maritime museum. Your tax deductible contribution impacts our quest to preserve Mississippi's maritime heritage for maritime and industrial innovation. Your gift develops and sustains a maritime center that educates, entertains and inspires the public!

We are thankful for your support!

"Giving Tuesday is a global generosity movement unleashing the power of radical generosity. Giving Tuesday was created in 2012 as a simple idea: a day that encourages people to do good."
